Tax implication on Maturity

- As per the amendments proposed in the Finance Bill 2021, exemption under section 10(10D) of the Income Tax Act, 1961 shall not apply to the ULIP policies issued on or after February 1, 2021, where the aggregate annual premium of all ULIP policies payable in the financial year exceeds INR 2,50,000/-.
- Premium includes riders, top up premium, loading (if any) and GST on riders (if any).
- Once the policy becomes ineligible, it will remain so till term of policy except death claim.
- If the premium crosses 2.5 L it will be considered as a capital asset and accordingly will be taxable as 'Capital Gains' in the hands of policyholders at the time of receipt of partial withdrawal /surrender/maturity proceeds on gains.

Tax implication on Death

- The amount received on the death of the Life Assured shall continue to be TAX FREE irrespective of the threshold on aggregate premium.
